

# PORTFOLIO

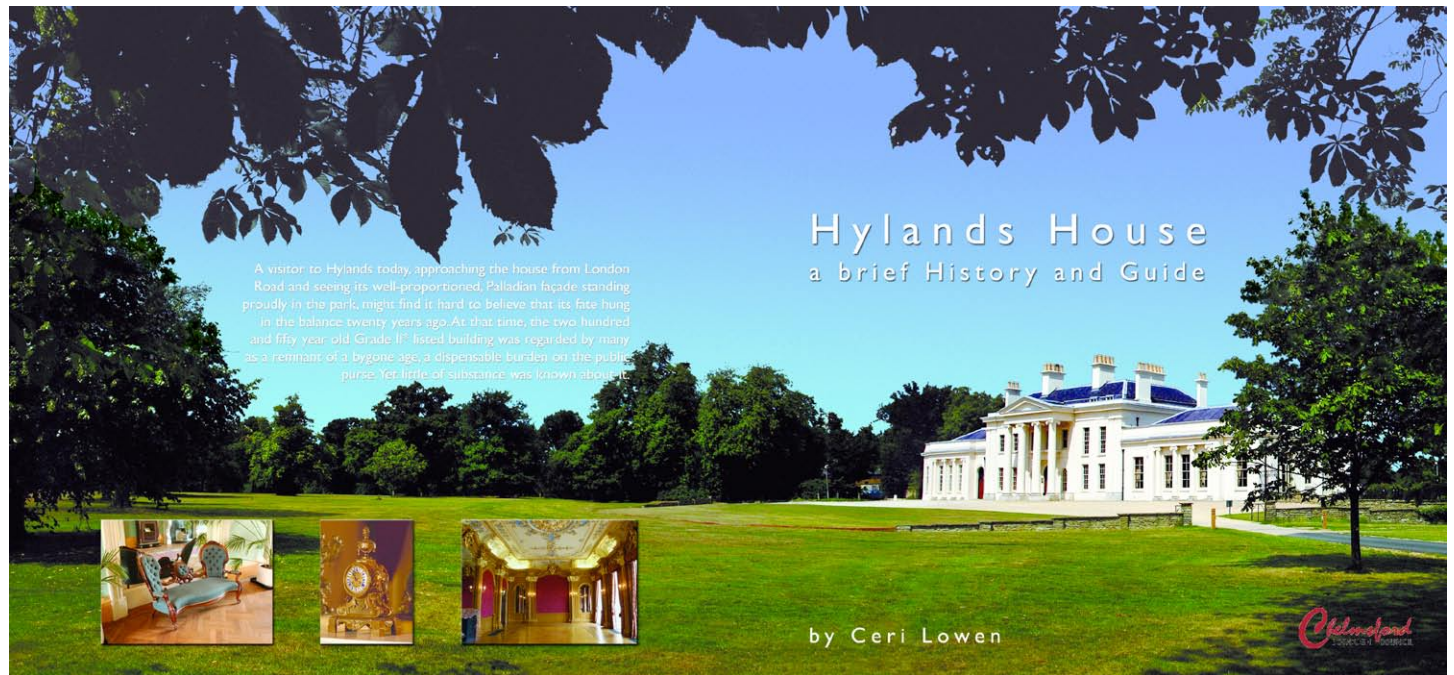

## Hylands House Book

A 40 page book about Hylands House, an historic house and gardens in Chelmsford for Essex County Council.

I worked closely with the writer to produce a quality book to be sold around Essex and in the Hylands House shop.

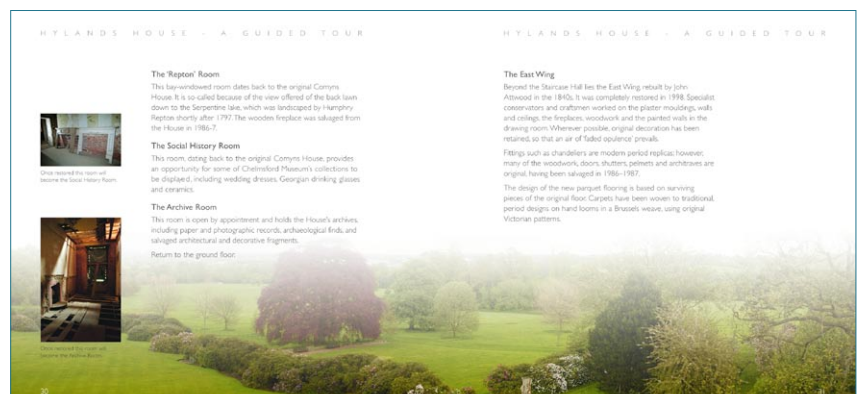

As well as the layout design, quite extensive Photoshop work was required, especially on the cover and to produce the cutout images with shadows.

Front and back cover

Inside spread

Inside spread

## L Smith Contracts Brochure

A brochure and folder for a groundworks and civil engineering company.

An A4, 4 page brochure and folder to promote the company.

Front and back cover

Inside spread

## SFA Brochure

A 6 page, A4 brochure for a furniture importer

Printed on good quality, silk card, this was a nice quality brochure to promote a quality product.

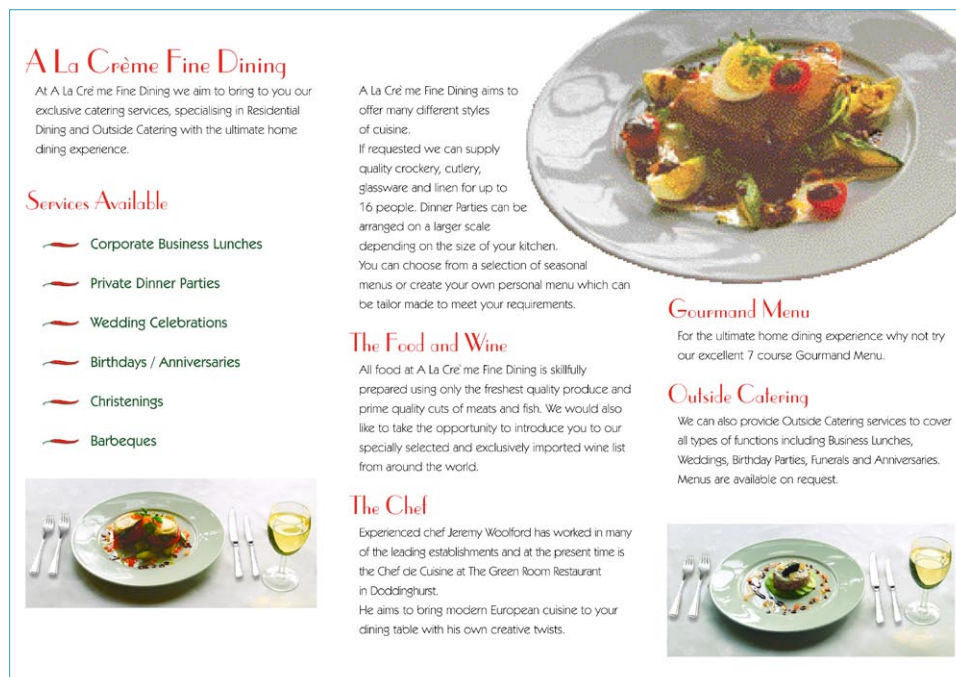

Front and back cover plus one folded inside page

## A La Crème Brochure

A 6 page, 1/3 A4 brochure for a fine dining caterer.

A small folded brochure/leaflet to promote a small business. I also created the chilli illustration.

Inside three pages

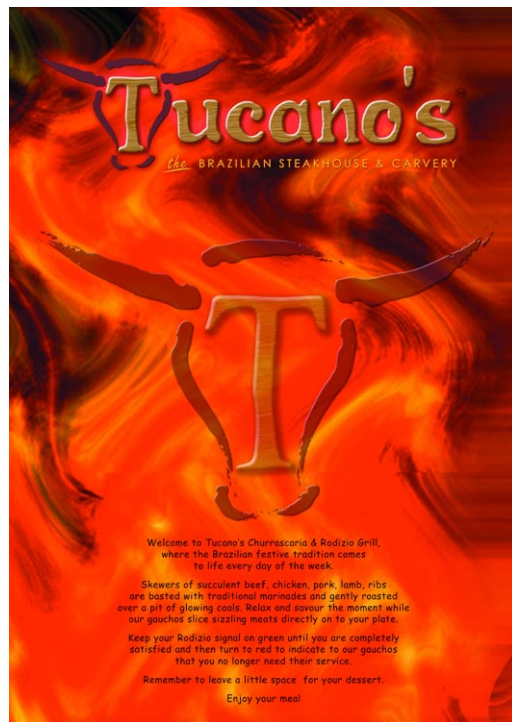

Front cover

## Tucano's Menu

A 6 page, A4 menu for a Brazilian restaurant.

A menu for a Brazilian restaurant. I also designed the logo for the company.

Front cover

Outside spread

## SFA Furniture Advert

Two double page spread adverts for a furniture importer to appear in a national magazine.

An advert for a furniture importer. Plenty of cutouts here!

Double page spread 2

## Metal Mesh Brochure

A 4 page, A4 brochure and folder for a manufacturing company.

A lot of Photoshop work was required to cutout and enhance the product photos. I also created the illustration on the back cover in Illustrator with a few final enhancements made in Photoshop.

The cover had a spot metalFX ink added over the logo and mesh to make it look metallic.

### Security Mesh Stock Range

Ref No. 50-76F

Ref No. 50-73F

Ref No. 50-89

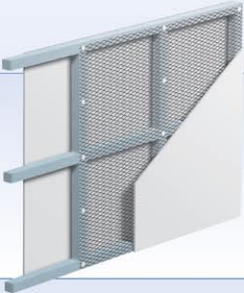

A light duty security mesh suitable for internal wall security, partitions, ceilings and roofs.  
Stock size: 1250mm x 2500mm

A heavy duty security mesh suitable for internal wall security, partitions, ceilings and roofs.  
Available in hot dip galvanised finish.  
Stock Size: 2440mm x 1220mm

A heavy duty raised security mesh suitable for internal or external brickwork and can act as a key for render or plaster finishes when galvanised.  
Stock size: 2440mm x 1220mm

Security mesh acts as a cost effective, preventative measure to secure internal and external walls, ceilings and roofs from intruders.  
Available as standard sheets or cut to size.

- Fix at 450mm centres to stud wall
- Timber Stud: 38mm galvanised staples, screws or nails with 25mm washer
- Metal Stud: 30mm self tapping screws with 25mm washer
- Brickwork: 50mm screw & plug with 25mm washer

## Metal Mesh

comprehensive stock range • sheared to size service  
mild steel / galvanised / stainless steel / aluminium  
bespoke made to order service • various finishes available  
security mesh range • competitive prices

## Dremu Leaflet

A 4 page A5 leaflet for a cosmetic importer.

A leaflet to promote beauty products for a cosmetics importer.

Plenty of Photoshop work for the cutouts and enhancing the product photos plus Illustrator work for the logo graphics.

Front and back cover

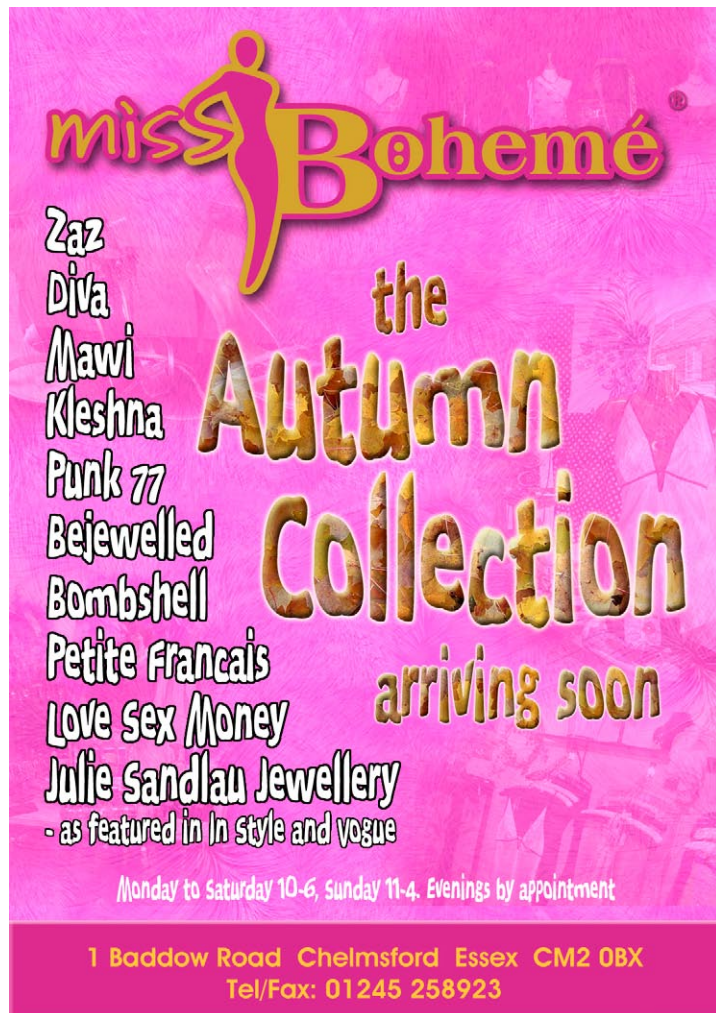

Inside spread

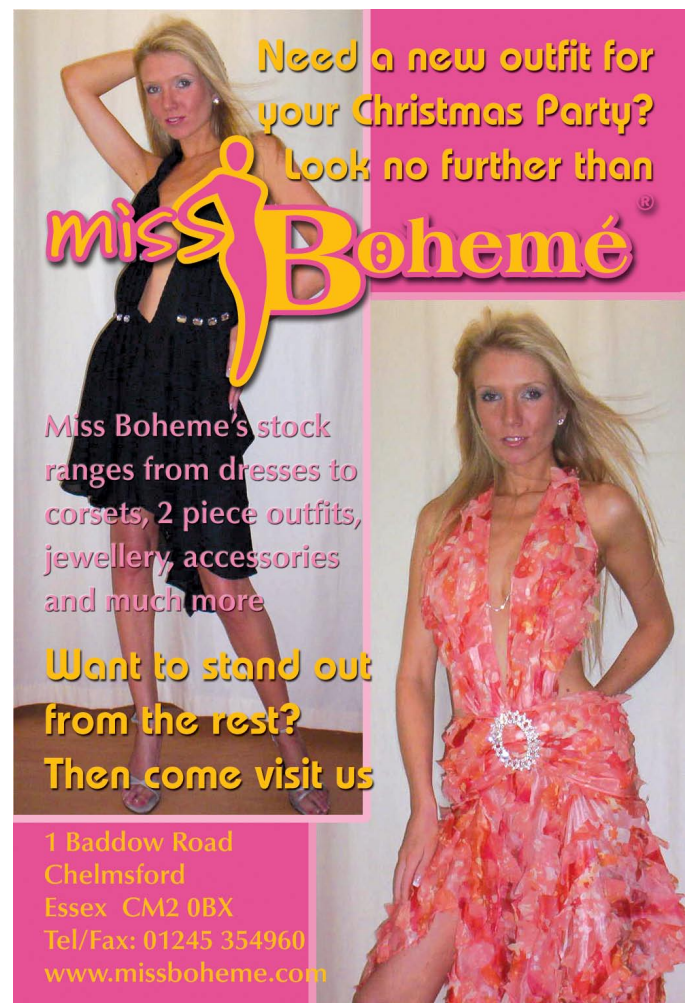

## Miss Bohémé Leaflet and Advert

Leaflet and advert for a women's clothes shop.

An A5 leaflet and an advert for a local magazine to promote a high quality women's clothes shop.

Leaflet

Advert

## Magic Sizing Leaflet

A double sided leaflet promoting Magic Sizing.

I created all the illustrations in Illustrator including the banners, text, iron, spray can and shirt with a few enhancements in Photoshop.

Front

Reverse

## FAB Projects Leaflet

A double sided leaflet on stiff card for a specialist textile printing company.

A double sided leaflet using photos supplied by the client. Quite extensive Photoshop work was required particularly to the bottom image on the front.

## FAB Projects

### Projects in Fabric

## FAB Projects

We have been involved in the manufacture and project management of branded textile products since the late eighties, supplying banners, flags and printed textile features for some of the top events and branding projects in the country.

FAB Projects brings functional quality textile branding in from the elements to be enjoyed and appreciated in an indoor environment.

## Custom Branded Textile Screening

- Custom made fabric screening and features for office, retail and public environments.
- Can be made in any size or shape to perfectly fit your requirements.
- Choice of plain coloured fabrics or can be digitally printed to your requirements with any image or graphic.

- Use as a decorative feature or to separate floor space areas.
- Use cool graphics and shades to create a calm or soft atmosphere.
- Show off your corporate identity or use as an advertising feature.
- Jazz up an area with bold graphics and lively colours.
- Adds eye catching interest to public and office environments.
- Screening panels can be manufactured in straight or curved sections and can be hinged together.

## Knaveswell Farm Cottage Brochure

A 6 page, 1/3 A4 brochure for a holiday cottage owner.

A small brochure to promote a holiday cottage in Dorset. The main photos were supplied by the client. I sourced the background image and created the map illustration.

**How to find us**  
From Wareham follow the A351 through Corfe Castle village and through the hamlet of Harman's Cross towards Swanage. At the crossroads take a left turn signposted Knitson. At the top of the hill take a left turn signposted Corfe Castle. Knaveswell Farm is on your right.

Please call in at the farmhouse and we will show you to the cottage.

**How to book or contact us**  
Simply telephone us or send us an email:  
Tel: 01929 422918.  
Mobile 07917 006262.  
Email: joanna.dyer5@btinternet.com

If we are not able to reply immediately to your call or email then we promise to get back to you as soon as possible.

If you wish to write to us, please do so at the following address:  
Jo and Paul Dyer,  
Knaveswell Farm,  
Knitson Lane,  
Corfe Castle,  
Wareham,  
Dorset BH20 5JB.

**Knaveswell Farm Cottage**

*"The perfect place to relax and enjoy the beautiful Dorset countryside."*

*Outside three pages*

**Knaveswell Farm Cottage**  
A detached character cottage in Dorset sleeping 2 to 6 on a working dairy farm situated between Corfe Castle and Swanage. Knaveswell Farm is a 156 acre dairy farm with approximately 100 Holstein Friesian cows. Guests are welcome to watch the twice daily milking or come and meet the calves.

The farm nestles under the Purbeck Hills, a few miles from the "Jurassic coast" and the beaches of Studland and Swanage Bay in the county of Dorset.

**Accommodation**  
The accommodation comprises:

- Lounge / diner with wood burner, TV, DVD and CD/radio.
- Spacious kitchen with electric cooker, fridge/freezer, washing machine, dishwasher and microwave.
- Two bedrooms. Bedroom 1 one has a double bed and Bedroom two has a double bed and two singles.
- Bathroom with WC, bath and shower over.

There is a double sofa bed in the lounge which offers extra or more flexible sleeping arrangements. Duvets, pillows, bed linen and towels are provided and a travel cot and highchair are available if required.

**Outside the cottage**  
The cottage has its own parking, BBQ and garden furniture within a spacious, lawned garden which offers wonderful views of the surrounding countryside.

**In and around Purbeck**  
Knaveswell is situated within easy reach of some of the most beautiful countryside and coastland in England. Perfect for the enthusiastic walker, ramblers and cyclist and also for families, with a wide variety of places to visit and things to do for children.

Some of the attractions we suggest you might like to visit are:

- The Victorian seaside resort of Swanage with its bustling town and sandy "Blue Flag" beach - only 3 miles away;
- The Swanage Steam Railway which operates through the beautiful countryside from Norden to Swanage via Corfe Castle;
- The abundance of local footpaths and cycle trails which allow visitors to explore the rocks, wildlife and rivers within the Purbeck area;
- Explore Purbeck's rich heritage by visiting Corfe Castle, Lulworth Estate, Brownsea Island or the deserted village of Tynham;
- The Monkey World Ape Rescue Centre - a great family day out with a fantastic children's play area.

**Additional Information**  
Weeks run Saturday to Saturday. The cottage is available from 3.30pm and guests are asked to vacate by 10.30am. Short breaks available out of high season, please enquire for prices.

2 well behaved dogs welcome at small extra charge.

The cottage is no smoking throughout.

**Availability & Prices**  
Knaveswell Farm Cottage is available to let throughout the year. Prices range from £300 per week during low season to £700 per week during high season.

Please contact us for availability and exact prices on your chosen dates.

*"We are sure you'll love your stay at Knaveswell Farm Cottage and enjoy the beautiful countryside and coastline of the Isle of Purbeck."*

## Locusrite Brochure and Folder

A 20 page brochure and folder for a manufacturing company.

A brochure and folder with tables and product details. The cover and logo were produced in Photoshop and I created all of the product illustrations in Illustrator. Just a few are shown here.

Front cover

### Galvanised and Stainless Steel Locusrite Brick Reinforcement Coil

#### Specification

All galvanised materials are manufactured from steel to DX51.BSEN 10142 (g 275).  
Stainless steel materials are manufactured from steel to EN 10088-2 grade 1.4301 (standard supercedes BS1449 Part 2: 1983 grade 304 S15).

#### Application

Locusrite Coil Mesh Lath is produced for brick and block work reinforcement. Its primary useage is to prevent cracking.

Coil Mesh Lath is available in 20 or 100 metre coils.

Code	Material	Size (mm)
GBWR063	Galvanised Steel	63
GBWR100	Galvanised Steel	100
GBWR175	Galvanised Steel	175
GBWR225	Galvanised Steel	225
GBWR305	Galvanised Steel	305
SSBWR063	Stainless Steel	63
SSBWR100	Stainless Steel	100
SSBWR175	Stainless Steel	175
SSBWR225	Stainless Steel	225

### Galvanised and Stainless Steel Locusrite Corner and Strip Mesh Lath

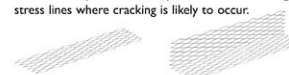

#### Specification

All galvanised materials are manufactured from steel to DX51.BSEN 10142 (g 275).  
Stainless steel materials are manufactured from steel to EN 10088-2 grade 1.4301 (standard supercedes BS1449 Part 2: 1983 grade 304 S15).

Corner and Strip Mesh Lath is manufactured in accordance with BS1369 Part 1: 1987.

#### Application

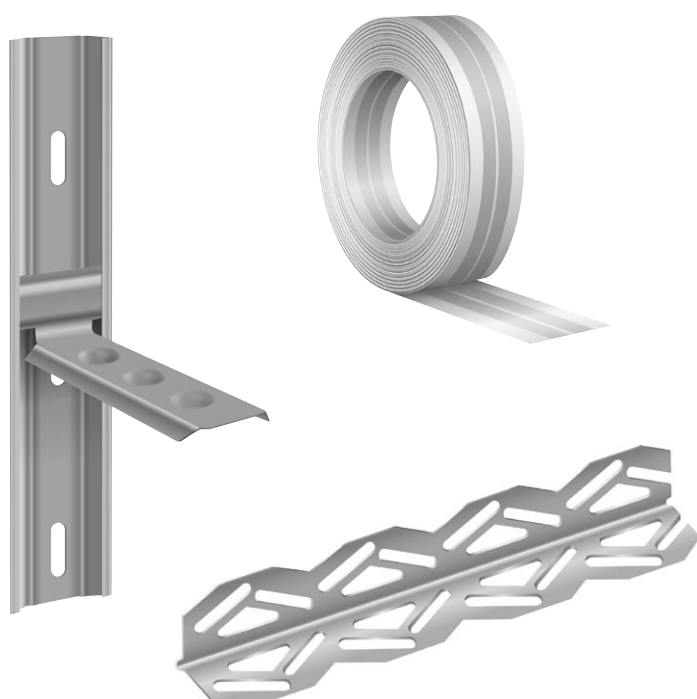

Locusrite Corner Mesh Lath is produced for use on internal and external corners in order to prevent cracking in the plaster.  
Locusrite Strip Mesh Lath is produced for use along stress lines where cracking is likely to occur.

Corner and Strip Mesh Lath comes in 100 strips per bundle.

Code	Material	Size (mm)
GCM050	Galvanised Steel	2500 x 100
GCM875	Galvanised Steel	2500 x 175
SSCM050	Stainless Steel	2500 x 100
GSM100	Galvanised Steel	2500 x 100
GSM175	Galvanised Steel	2500 x 175
SSSM100	Stainless Steel	2500 x 100

## ADS Brochure

A brochure for a painting and decorating contractor.

This was produced to be digitally printed so that it can be updated regularly and printed and bound in small quantities as and when required.

Front cover

## 2. Company Structure

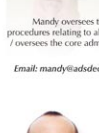

### Personal Profiles

**Andrew Squibb**  
Managing Director

MD Andrew Squibb established the company in 1999 after having previously spent 10 years as joint owner of another London based decorating contractor. He has gained considerable experience in the industry working largely at director level on projects throughout London and south east England.

Email: andy@adsdecorators.co.uk Mobile: 07767 308389

**Mandy Squibb**  
Company Secretary

Mandy oversees the company's regulatory and compliance procedures relating to all areas of the business. She also manages / oversees the core administrative processes: staff administration, job bookings, wages and ordering.

Email: mandy@adsdecorators.co.uk Office Tel: 01708 370080

**Martin Bridger**  
Quantity Surveyor

Martin undertakes all commercial elements of the business including estimating and quantity surveying and reports directly to the MD. He has worked for Andrew Squibb throughout his career both at ADS and his previous company.

Email: martin@adsdecorators.co.uk Mobile: 07788 420673

**Chris Sneddon**  
Senior Contracts Manager

Chris has gained considerable experience of finishing trades having worked for MD Andrew Squibb at his previous company and then recently joined ADS, in 2009, at contracts manager level. He works closely with the management team and clients whilst co-ordinating workload with site based supervisors, foremen and operatives.

Email: chris@adsdecorators.co.uk Mobile: 07786 706689

Inside page

## Stationery for a suspended ceiling and partitioning contractor.

Letterhead, compliment slip and a number of NCR forms for a construction company.

The logo for BPC Interiors Limited features the letters 'B', 'P', and 'C' in a stylized, overlapping arrangement within a blue square. To the right of the logo, the company name 'Interiors Limited' is written in a large, elegant serif font. Below the company name, the contact information is listed in a smaller, sans-serif font: 'Arch 261 Paradise Row London E2 9LE', 'tel: 020 7613 5885', 'fax: 020 7613 1354', 'email: info@bpcinteriors.com', and 'www.bpcinteriors.com'. The background of the slide is a light blue gradient with a faint, abstract geometric pattern.

## Business Cards

Assorted business cards.

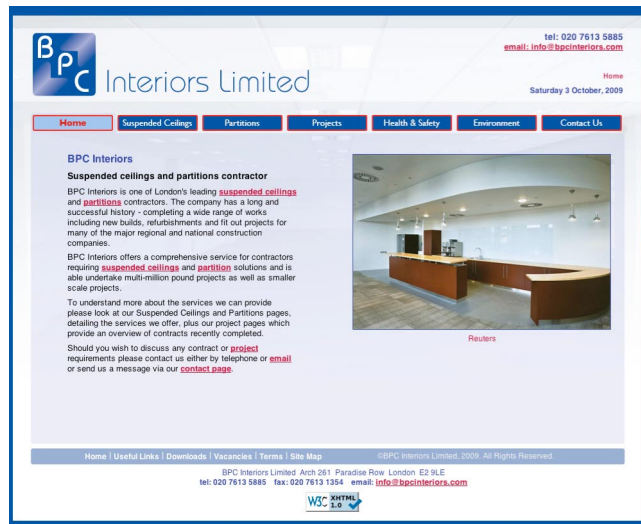

Various business cards, many of which I designed the logos too.

## Web Design

### Various websites.

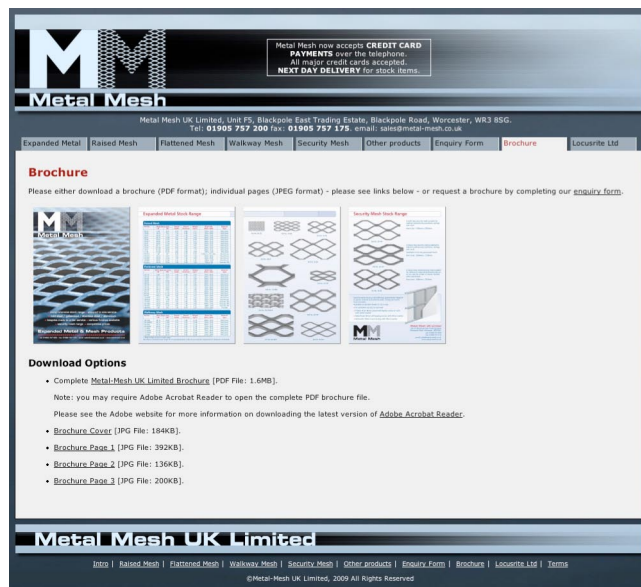

I have designed and put together a number of websites. The pages are hand coded and validated to ensure standards compliance. A few of these are shown below with their web addresses so please check them out.

[www.bpcinteriors.com](http://www.bpcinteriors.com)

[www.finetrack.co.uk](http://www.finetrack.co.uk)

[www.metal-mesh.co.uk](http://www.metal-mesh.co.uk)

[www.stevebridgerart.co.uk](http://www.stevebridgerart.co.uk)

## Illustration

### Various illustrations.

This is a small selection of my illustrations. I can produce logos, technical illustrations, artwork for interior design and pretty much anything you may require. Please see my website [www.stevebridgerart.co.uk](http://www.stevebridgerart.co.uk) for more of my artwork.
